OK, the site is now usable! Hurrah!

Right now, it is mostly a front end to the photo album. If you want to view the album in the context of this site, just click on one of the links on the top or the left which says "Photos". If you wish to view the photo album full page, you should click on the "Photo Gallery (Full Screen)" link.

If you view the Photo Gallery in a full screen mode, you can click on the "krishnan.net" icon at the top left of the screen to get back to this home page.

We will be adding more content (other than photos) in the coming weeks. But, in the meantime, enjoy the photos!
